### We Still Need Help !

We still need people to volunteer to “staff” the store in  
August. If you can help, please call Dianne @ 228-4682  
or email [history@uniontel.net](mailto:history@uniontel.net). Sometimes there is a  
crowd and sometimes only one or two people “wander  
in”. In all cases, your service is appreciated and needed.

### The New CAHS Sign is Up!

Ray Burrows worked with the University of Wisconsin-  
Stevens Point to get our sign .It looks great! Thanks go  
to Ray, Wally, Floyd, and Karl for their work putting it up.

### Bricks

Wally King is collecting the 3rd order of bricks for our  
memorial walk. If you are interested in purchasing a  
brick as a lasting memory or memorial, please do so  
soon.

### Annual Meeting: September

We will hold our annual meeting Monday, September 20.  
At this meeting, we will elect directors. The directors  
then select the officers from within that group. If you are  
interested in being a director, please call Barb Burrows,  
715-228-2631 or email [history@uniontel.net](mailto:history@uniontel.net).

### Thank You

A big thank you goes out to everyone who has staffed  
the “store” in June and July. Thank you to Wally King,  
Tom Patton, Arden Bandt who narrated the wagon tour  
during Cruise Coloma days. They talked about all of the  
12 gas stations that made Coloma famous.
